

The Hebrew University of Jerusalem.

Acting towards peace.

In 1999, when Billy Crystal, the American actor, initiated his namesake project, The **Billy Crystal Peace Through Performing Arts Project**, there was an optimism that a lasting peace was just around the corner. Based at the Hebrew University of Jerusalem, the project still brings Jewish and Arab students together in workshops aiming to promote and foster social, cultural and artistic understanding through the use of drama techniques. In this troubled millennium, there is no more important aspiration.

Act now and you too could make a crystal clear contribution to understanding and the quality of life in the Middle East by supporting the **British Friends of the Hebrew University**. Call Julia on 020 7691 1474, or e-mail julia.markson@fhu.org.uk
